Accounting Intern

Description

This position offers an excellent opportunity for a motivated Accounting Intern to gain hands-on experience in accounting and finance while working with a collaborative team of professionals. Responsibilities include assisting with general ledger operations, account reconciliations, accounts payable/receivable, payroll support, and monthly financial reporting. The intern will also contribute to budgeting, forecasting, and audit preparation while learning internal controls and accounting procedures. The ideal candidate will be pursuing or recently completed a degree in Accounting or Finance, have strong attention to detail, prior accounting or finance internship experience, and preferably some familiarity with QuickBooks. This part-time role requires 15–20 hours per week with flexible scheduling, professional development opportunities, and the potential to transition into full-time employment.
